

FEATURED WEBINARS

Save The Date: [Makerpalooza 2020](#)

Date: December 10, 2020

9:00 AM - 4:00 PM EASTERN

Location: Online

Makerpalooza 2020 is going online! Join SWFLN for this unique online experience. You will engage in ready-to-use library activities that will challenge Makers of all levels right from your desk.

This conference will be an interactive, hands-on event where participants will interact with presenters to:

- Develop their own game and App
- Experience Virtual Reality
- Create take-away crafts, ready to be developed into a library's own virtual program
- Discuss the realities of technology and emerging trends in libraries today with presenters Chad Mairn, Brian Pichman, Diana Silveira and Nick Tanzi.

****Register by November 13, 2020 to receive craft supplies for the hands-on session from SWFLN. Space is limited, so don't wait to register!**

WISH UPON A SHELL

Do you, or a co-worker, have an idea for future training, or want to learn about a specific subject? [Click here](#) and submit your ideas, we can't wait to hear from you.

What is Cataloging Ethics?

Date: December 02, 2020

10:00 AM - 11:00 AM EASTERN

Location: Online

Cataloging ethics has been mentioned a lot recently in cataloging circles, but what does cataloging ethics actually mean and in what ways does it impact day-to-day cataloging work? This webinar will provide scholarly context for and practical case studies to illustrate ethical issues in cataloging to demonstrate why it is critical for catalogers to view their work through an ethical lens. Additionally, the presenter will update participants on a current effort to create a cataloging code of ethics that she is co-leading.

SPARKLE: Assert Yourself

Date: December 17, 2020

2:00 PM - 3:00 PM EASTERN

Location: Online

If we're going to live steady, and with perseverance and passion, there will be times we will need to assert ourselves. That doesn't mean getting "in someone's face", but it may mean holding your ground calmly and firmly – and that's when you SPARKLE!
