

## Diversity in Language and Communication

Date: December 02, 2021

11:00 AM - 12:00 PM EASTERN

Location: Online

Our country, state, and region are becoming increasingly diverse. At the same time, the importance of effective communication continues to grow. And now, since growing diversity can make effective communications more difficult, we need to discuss diversity in language and communications.

## Managing in a Brave New World: Communication is Critical

Date: December 15, 2021 2:00 PM - 3:00 PM EASTERN Location: Online

We have all heard (or have we??) so much about communication, you would think it would be happening by osmosis. Yet in a world where we have more opportunities and methods of communication than ever before, staff members often lament the lack of communication in their organizations.
